Two more tests for each chapter provide thirty-two additional proficiency style tests in book and on CD. These materials correlate with the chapters in the beginning level activity book, *Te Toca a Ti*. The content of the CD is the same as the book. The CD can be used to customize tests to fit teachers' needs.

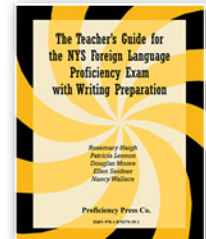

### Read to Write Tasks for the Novice Level in Spanish & Italian

Patricia A. Lennon, Ed.D & Douglas Moore, Carmela Taliercio-Cohn

The Read to Write Task book provides a means for assessing students' writing in which authentic sources are given to challenge students to use the information read within their writing tasks. Students must use higher level thinking skills to express their ideas, convince someone to take a course of action or to compare and contrast two concepts. It presents students with a real communicative purpose for a real audience.

- Encourages critical thinking
- Provides real-life scenarios and authentic material

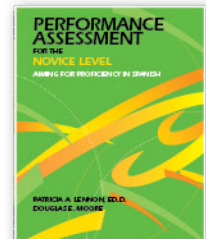

### The Teacher's Guide for the NYS Foreign Language Proficiency Exam with Writing Preparation For All Languages
